

Main Screen:

Used by the organizer to create the BassWars event.

Button to add a new competition. Inputs needed: competition name, location, date

All competitions will be clickable, and will lead into the summary page of that competition.

Winners Screen:

Used by the judge to give out awards at the end of an event.

The screenshot shows a web browser window with a title bar (red, yellow, green buttons and a refresh icon). The page content includes a search bar in the top right corner with a 'Search' button. Below the search bar, the main heading is '"Name of Event" Winners' followed by 'Date, Location'. A 'Dropdown' menu is positioned below this heading. The main content area is titled 'Class Category' and contains a list of winners. The list has two columns: '1. LastName, FirstName' and 'Score'. The first entry is '2.' followed by a blank space. To the right of the interface, three yellow callout boxes provide additional information: the first explains the search bar's functionality, the second explains the dropdown menu's purpose, and the third explains the sorting of participants.

Search bar offers way to look up events results based on name, location, date, etc.

Dropdown menu allows user to filter winners in each class from the particular event

Participants from each class are listed by best overall score

1. LastName, FirstName	Score
2.	

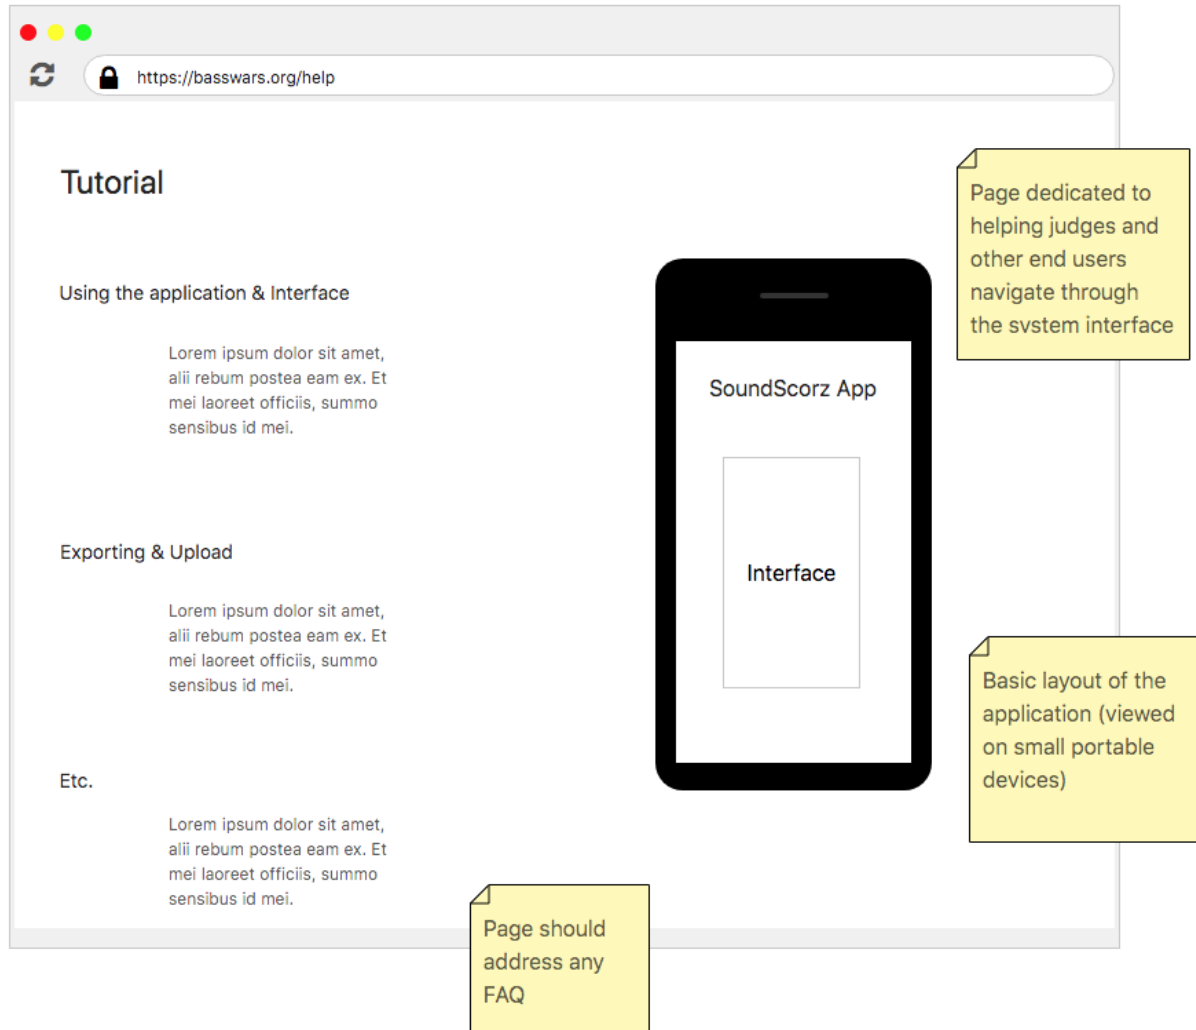

Look Up:

When a spectator/competitor asks a judge about a persons current score at an event.

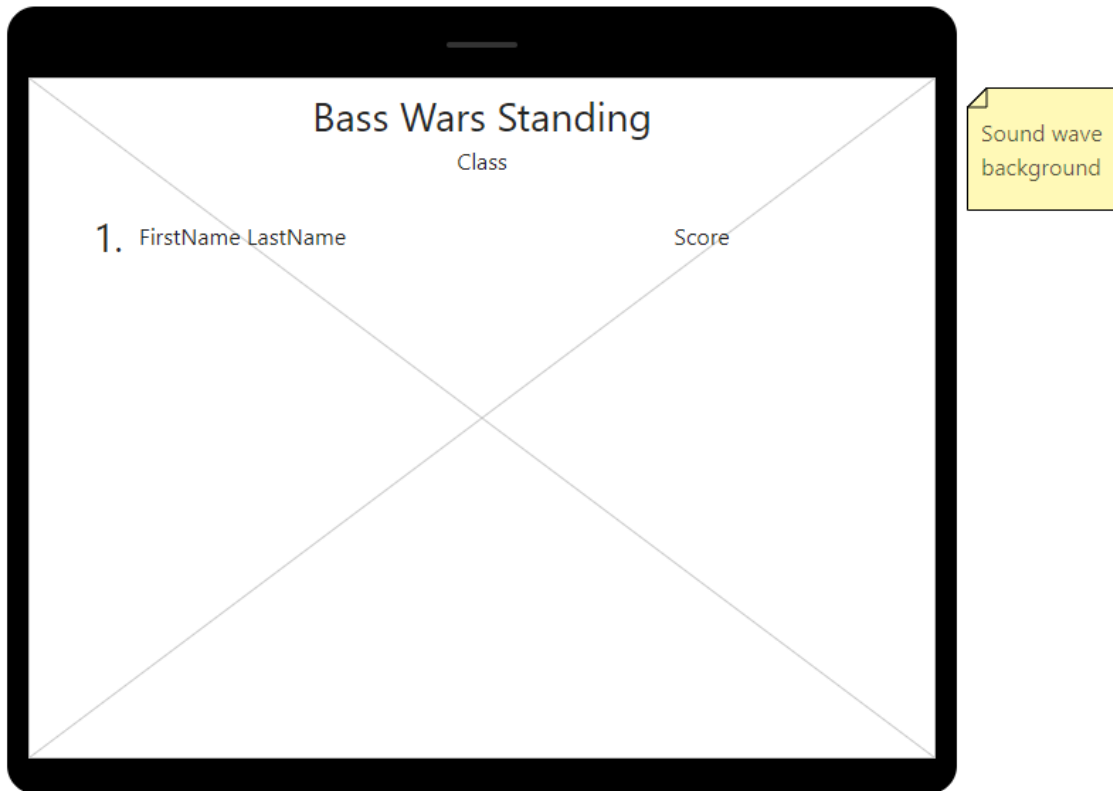

Site Tutorial:

Tutorial site to walk new judges through how the system works.

Standings:

Looping screens on a TV at the event showing every class and the current scores for everyone to see.

Website Upload Page:

Where judges upload event scores to be processed in multiple ways by the organizations website.

The screenshot shows a web browser window with the address bar displaying `https://www.basswars.org/upload`. The page contains a form for uploading event scores. The form has three input fields: "Event Name:" with the placeholder text "NameOfEvent", "Event Date:" with the placeholder text "DateOfEvent", and "Event Location:" with the placeholder text "LocationOfEvent". Below these fields is a file selection area showing a file named "C:/Users/judge/scores.txt" with a file icon. To the right of the file name is a dropdown menu labeled "Options" with a downward arrow. The dropdown menu is open, showing three options: "Upload more", "View file", and "View leaderboard". To the right of the file selection area is an "Upload" button.

Event Name:

Event Date:

Event Location:

 C:/Users/judge/scores.txt Options ▾ Upload

- Upload more
- View file
- View leaderboard

Backup Page:

Public page where anyone can look up the final scores from any uploaded event.

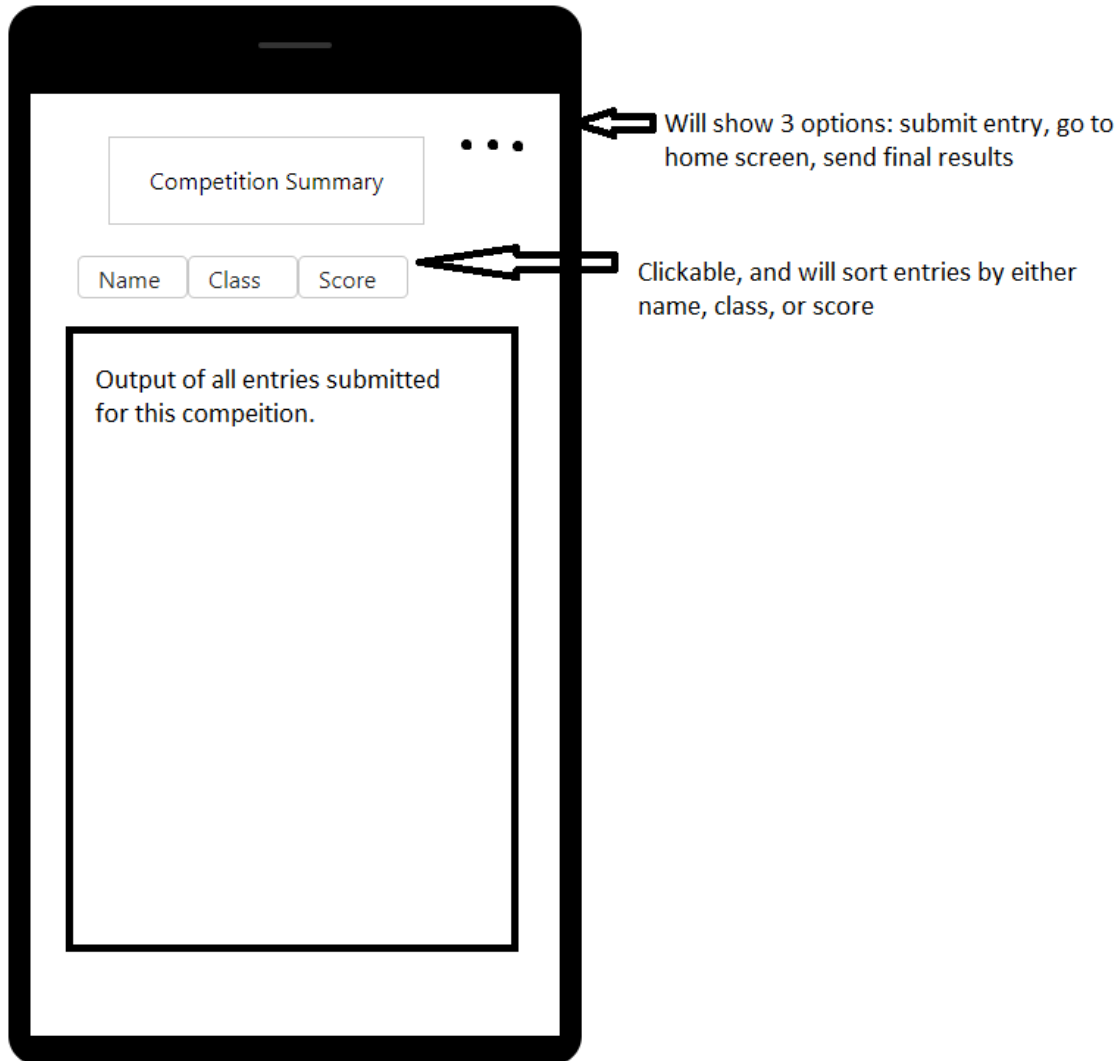

The wireframe shows a web browser window with a search bar and a dropdown menu. Below these is a table with five columns: File Number, File Name, Location, Date, and Competition Name. The table is currently empty. Below the table is a large text area containing the following text:

This is where files matching the input above will show up.
By default, it will show
the 20 most recent
competitions.

Summary Screen:

Used by the judge to see a summary of the event so far without having to generate the winners screen or look up individuals.

Input Screen:

This screen is where the data for the standings/look up/summary screens comes from. It also acts as an audit for the TermLAB output file, this is input by hand and checked against the scores.txt later.

The image shows a mobile application interface for entering competition data. At the top, there is a text input field labeled "Competition Name". Below this is a horizontal separator line. The main form consists of four rows of input fields: "Name" with a "TextInput" field, "Car" with a "TextInput" field, "Class" with a "Class Dropdown" menu, and "Score" with a "TextInput" field. A green dot is positioned below the "Score" input field. Below the form fields is a horizontal line with green square endpoints. At the bottom of the screen, there are two buttons: "Submit and Next Entry" on the left and "Submit and go to summary" on the right.
